

The Mission of SACS, Inc. is to provide monetary support for area Cancer patients and funding for Cancer research

Neighbors Helping Neighbors.

Financially, the battle with Cancer can be devastating. SACS, Inc. was organized as a place for cancer patients to turn for some monetary help.

- SACS, Inc. is governed by a nine member board of directors. The Board of Directors will review all applications.
- The funds will be dispersed to Cancer victims in order to provide assistance with groceries, transportation, fuel, medication or other necessities based on the area of need.
- It is the intent of the Board to provide assistance through the use of vouchers, gift certificates, or direct payment of bills. It will be the Board's responsibility to ensure, to the best of their ability, that the support goes towards intended use.
